758 Skid Mount

**Built to deliver the power you need and the compact design you want**—the Spartan 758 skid-mounted jetter has it all. With 3,000 PSI at 12 GPM and a 27-HP twin-cylinder, water-cooled engine, this high-impact jetter is loaded with features like power hose rewind and adjustable pump pulsation for maximum cleaning distance. It’s everything you’d expect from the most trusted name in sewer and drain cleaning equipment.
### SPECs
- Pipe sizes: 3" – 12" diameter
- Pressure: 3,000 PSI
- Flow: 12 GPM
- Standard hoses include: 250’ of \(\frac{3}{8}"\) high-pressure cleaning hose; 150’ of \(\frac{5}{8}"\) rubber supply hose; 75’ of \(\frac{1}{8}"\) trap-cleaning hose
- Weight: 755 lbs.; each water tank with frame weighs 160 lbs. empty
- Size: 50" W x 45\(\frac{1}{2}"\) H x 44” D
- Engine: 27-HP twin-cylinder, water-cooled engine

### FEATURES
- Triplex ceramic plunger pump delivers 3,000 PSI @ 12 GPM
- Compact installation for vans, trucks, pick-ups and flatbed vehicles
- Adjustable pump pulsation for maximum cleaning distance
- Power hose rewind and rewind guide
- Electric start engine
- Shut-down protection for low water, low engine oil and high engine temperature
- Air purge system to protect against cold weather conditions
- Wash-down gun and lance
- Optional 100-gallon water tank(s) can be joined in sequence for extra capacity
- 90° pivoting multi-position hose reel
- 5-position nozzle holder
- 12-gallon fuel tank
- Pigtail-style hose rewind guide

Additional 100-gallon water tanks easily plumbed in sequence for expanded capacity.

Hose reel pivots 90° for easy alignment with drain line.
